

Estia Agios Nikolaos is a life-sharing community in Galaxidi Greece, where adults with special needs live, work and spend their free time together with the people who care for them, in a mutually enriching way.

We are looking for CAREGIVERS who:

- can provide care to our residents and support them to develop their abilities
- are good team players
- speak fluent English
- are willing to learn Greek
- want to build our community with us

We offer:

- a young, dedicated international team
- self-management with a flat hierarchy according to abilities and initiative
- mentor for the first 6 months to support you in learning
- weekly Greek lessons
- 5 days week with 2 successive days off, 35 vacation days per year
- free accommodation in an apartment with one or two other coworkers
- the opportunity to participate in one of our workshops (ceramic, garden and jewelry)
- mutually supportive and respectful atmosphere
- surrounding with outstanding geographical and historical features
- lots of work and lots of joy

If you are interested and can commit don't hesitate to contact us.
